Gentlemen:

Bob Roth and I have been contacted by the Examiner in the U.S. Patent Office who is handling the examination of the above patent application. He has indicated that the application will be allowed--congratulations! To put the application into condition for allowance, it is necessary to file a new "Declaration." Included with the fax is a new Declaration for your signature.

Please sign the Declaration and fax it to Examiner Curtis Cohen at the U.S. Patent and Trademark Office as soon as possible. Examiner Cohen's fax number is (703) 308-2106. Please include in a cover sheet both Examiner Cohen's name and the application serial No. 08/624,130. It is perfectly acceptable that the Southfield office will fax the Declaration to Examiner Cohen with two signatures, and the Elkhart office will separately fax the Declaration to Examiner Cohen with three other signatures.

Also, please mail the original executed Declaration to me. (I realize that the "original" in this case is a fax, since that is how I am sending it to you.)

Please call me if you have any questions or, if for any reason, you will not be able to fax the Declaration to Examiner Cohen today or tomorrow. Thank you and congratulations again.

Very truly yours,

Peter D. McDermott
